To deploy the software (Installation instructions will include an in-depth version):

- Install the Bookwise folder from GitHub (link here).
- Install the requirements file to import all correct libraries.

Bookwise is a web application that recommends books to users and a social network system in one.

Home Page

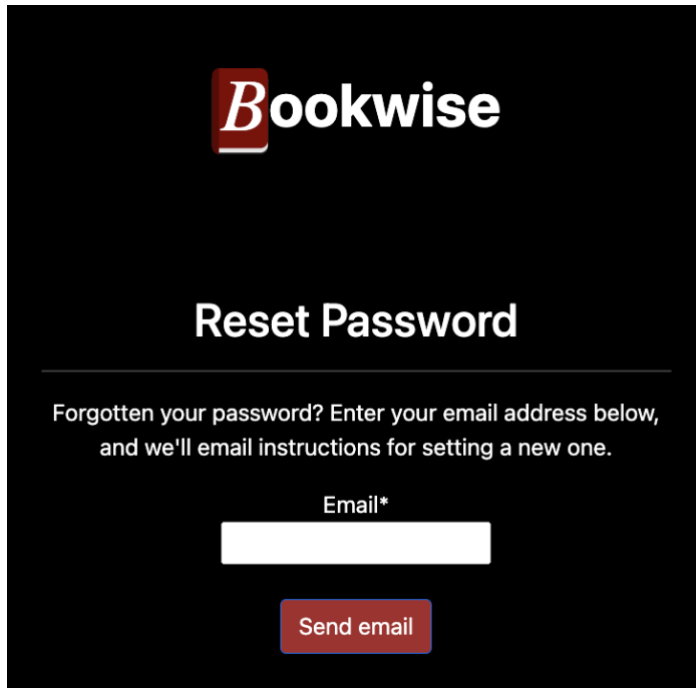

Option to log in if a returning user or sign up if a first-time user.

Sign up

Sign up page for the user.

Valid email must be used as a email verification will be sent.

Forgot Password

A dark-themed form for resetting a password. At the top is the Bookwise logo. Below it is the title "Reset Password". A message asks the user to enter their email address to receive instructions. There is a text input field for the email and a "Send email" button.

Bookwise

Reset Password

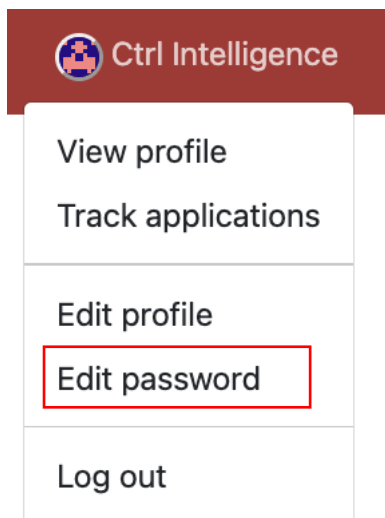

Forgotten your password? Enter your email address below, and we'll email instructions for setting a new one.

Email*

Send email

If a user has forgotten the password to their account an email can be sent to their email to reset the password.

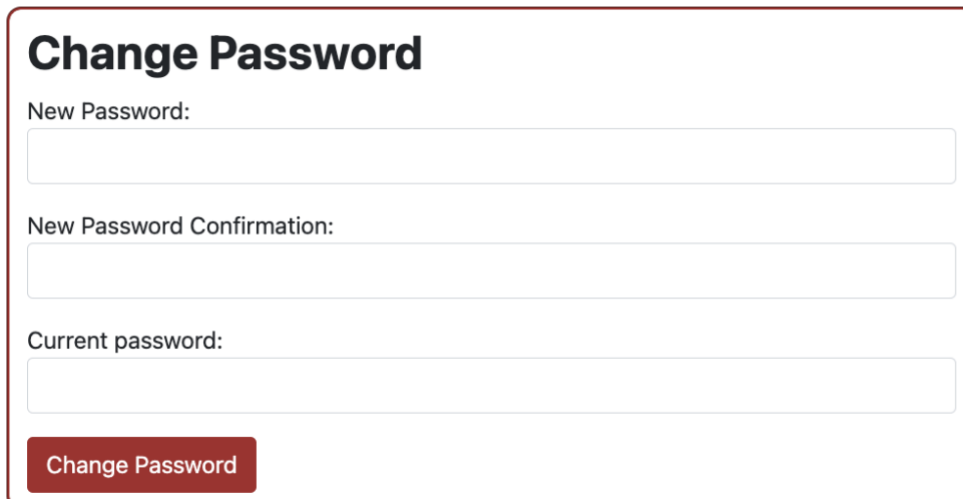

Features:

A user menu for Ctrl Intelligence. It features a logo and a list of options: View profile, Track applications, Edit profile, Edit password (highlighted with a red border), and Log out.

 **Ctrl Intelligence**

- View profile
- Track applications
- Edit profile
- Edit password**
- Log out

User password can be changed from the Nav Bar -> User Name -> Edit Password

A form titled "Change Password" with three input fields: "New Password:", "New Password Confirmation:", and "Current password:". A "Change Password" button is at the bottom.

Change Password

New Password:

New Password Confirmation:

Current password:

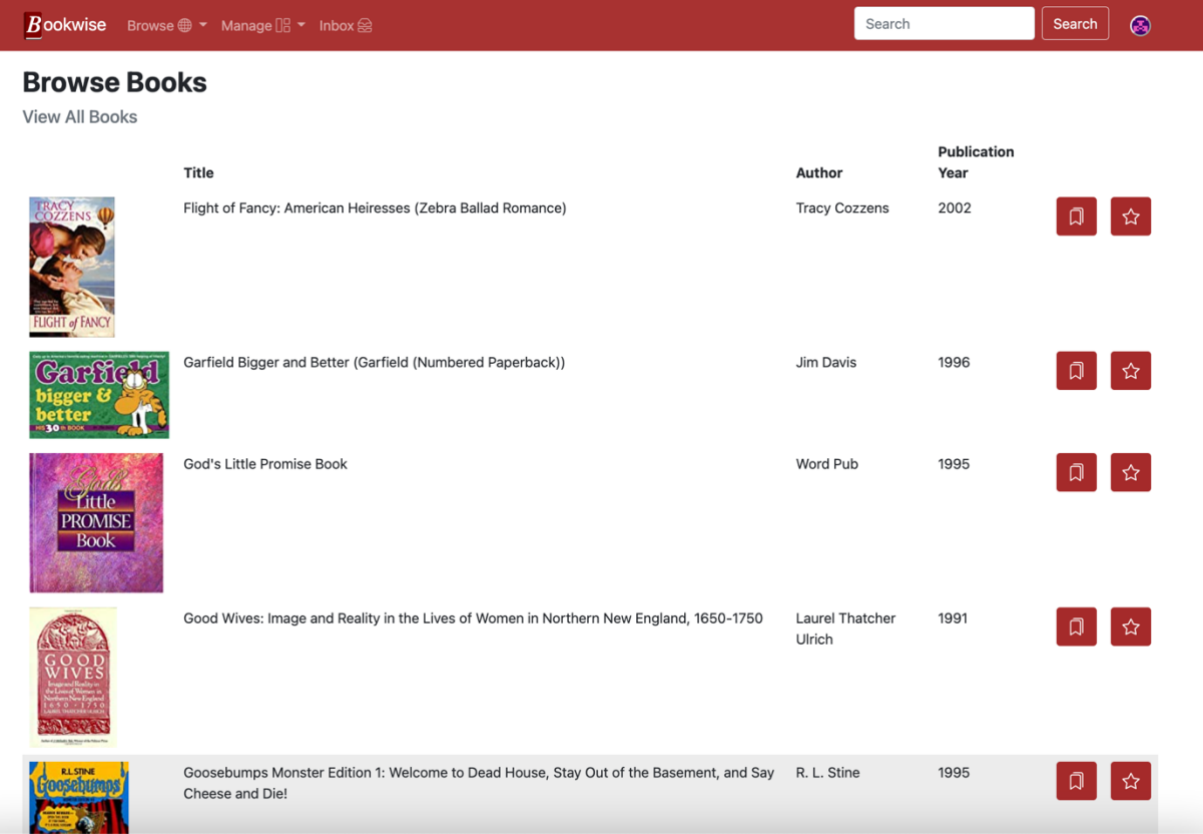

Change Password

Club Applications

Navigate via Nav Bar -> Manage -> My Club Applications

A screenshot of the 'Applications' page in the Bookwise application. The page has a dark red header with the Bookwise logo, navigation links, a search bar, and a 'Ctrl Intelligence' link. Below the header, the title 'Applications' is followed by the subtitle 'Applications made to your clubs'. A search bar is provided for finding clubs and applicants. The main content is a table with three columns: 'Club', 'Name', 'Age', 'Date Joined', 'Bio', and 'Location'. There are three rows of application data. Each row has a small book icon in the 'Club' column. To the right of the 'Location' column, there are 'Accept' and 'Reject' buttons for each application. The first application is from Stephanie Baker, 38, at Stephenbury. The second is from Josephine Butler, 83, at Robinsonton. The third is from Marcus Carr, 56, at Port Patrickstad.

Club	Name	Age	Date Joined	Bio	Location
